

Bee Lian Ng wins Best General Manager Award for The Landmark

Bee Lian Ng has been recognized with the 2012 Best General Manager Award by Ho Chi Minh City's Trade Union. Bee received this Award on 22 May 2013, for her outstanding managerial achievements in staff caring.

Every year, the Trade Unions in District 1 of HCMC were invited to submit the names of the best General Managers. They nominated 140 General Managers for this Award from the 6,000 local and international companies registered in District 1. Among these nominees, only 11 General Managers were recognized with this Award.

On accepting the Award, Bee said: "I would like to thank all the staff for their support, patience and understanding and Martyn (Sawyer) for his trust in me. This Award gives me confirmation that I am doing the right thing for our company and staff."

The Landmark team wishes to congratulate Bee for receiving this important award.
