## THE TERRY FOX RUN FOR CANCER RESEARCH

**Inspired by a Dream Grounded in Tradition Volunteer-Driven** 

On the 25th of November 2012 a Landmark Team of Staff, Residents and Family participated in the Terry Fox Run for Cancer Research.

The Terry Fox Foundation continues to make great advances in its mission of raising money through annual locally organized volunteer Runs. This year they saw 14,600 participants in the Run, and raised an incredible VND1,700,000,000!

Thanks to everyone for participating!
